FROM THE AGENTS DESK- Keith Wilson

Color photos (8x7) taken at this year's Sarasota County Fair by a professional photographer are still available for purchase. You may either visit the Agent 147 4-H leaders meeting (7:30pm) to view them or call Don Smithland at 371-1773. The leaders meeting will provide leaders an opportunity to discuss suggestions for next year's County Fair.

The 2007 Sarasota County Fair was a great success and the staff at the 4-H Office wishes to thank the Sarasota County Fair Board for providing the wonderful ribbons, trophies and premiums for all of the events. It is a tremendous amount of work to plan and manage this event every year and the support staff at the Fair Office were fantastic in providing for the needs of our 4-H program. The 4-H volunteers and Livestock Committee who gave a tremendous amount of their time setting up, running and cleaning up after the fair and animal competitions were invaluable. The buyers of the animals and plants at the fair auction provided excellent financial support for 4-Hers and 4-H youth. We can't thank them enough for being there and participating in the auction. The Sarasota County 4-H Foundation completely devoted themselves to selling elephant ears to raise money which supports 4-H programs and scholarships and we thank them all!

Michelle Crowl who works for the new major league baseball team, the Redfish in Charlotte County has invited interested 4-Hers to participate in their special group rates for youth organizations which includes a picnic for only \$3.00/person. Michelle can be reached by calling 673-2287.

Finally an oval note Steve Cooper, the manager of 4-H Camp Cloverleaf, recently lost his son Josh in a tragic car accident. I am sure words of sympathy for his family would mean a great deal to Steve from those who remember his son's position as a 4-H camp counselor.

Please remember to wear your seatbelt at all times when riding in a vehicle. Protect yourself and others you care about.

Keith Wilson, 4-H Agent
